What COLOUR is a KISS?

Rocio Bonilla

My name is *Monica*
but everyone calls me *MINIMONI*.
When I ride my *bicycle* I am faster than the wind!
I like swallows, strawberry cream *CAKES* and listening to
the stories my *mother* tells me.
At home, I take care of the plants on the balcony,
because I love watering them
and telling them *nice things*
so that they grow up quickly.

But what I like best of all is... PAINTING !!!

I paint a *million* things with my colours. I know how to paint *RED* ladybirds, *BLUE* skies and *YELLOW* bananas. I have even painted *rockets*, *penguins* and *gorillas*, but... I have never painted a *KISS*.
